Part II Organizational Action Attach additional statements if needed. See back of form for additional questions.

14 Describe the organizational action and, if applicable, the date of the action or the date against which shareholders' ownership is measured for the action ► Vanguard REIT II Index Fund Institutional Plus Shares ("The Fund") declared a distribution to shareholders of record on December 12, 2017 of \$0.2642 per share. The Fund determined that a portion of this distribution constitutes a non-taxable return of capital.

15 Describe the quantitative effect of the organizational action on the basis of the security in the hands of a U.S. taxpayer as an adjustment per share or as a percentage of old basis ► Of The Fund's distribution declared and recorded on December 12, 2017, \$0.009353 is non-taxable return of capital. This amount is a non-taxable return of capital to the extent of a shareholder's tax basis in each of its Fund shares.

16 Describe the calculation of the change in basis and the data that supports the calculation, such as the market values of securities and the valuation dates ► The calculation of the return of capital is based upon the The Fund's accumulated earnings and profits as of its fiscal year ended January 31, 2018. The amount of the return of capital should be applied against the shareholder's adjusted basis of the stock, reducing the basis until it is zero. The amount of the return of capital, if any, that exceeds a zero basis shall be treated as a gain from the sale or exchange of property.
