Naming VNTC as your successor trustee

We understand that our clients can be in different phases of their estate planning process. However, if you're starting to draft your estate plan now and wish to name us as a future trustee, our successor trustee program is designed to help you incorporate VNTC into your plan.

To help you reach your estate planning goals, here are some next steps to take:

1. **Share these materials** with your estate planning attorney. We've developed the "Introduction to Vanguard National Trust Company and our Personal Trustee Service" letter specifically for your estate planning attorney.
2. **Schedule an appointment** with your relationship manager if you have questions about VNTC's services as they relate to your future needs. Please keep in mind that VNTC can't offer legal or tax planning advice.
3. **Fill out and return** the Designation of VNTC as Successor Trustee Form once your estate plan is in order.

Note: We recommend that you keep a copy of this form in a safe place, along with copies of your estate planning documents and a list of your assets.

VNTC can't prospectively accept a trustee appointment. When we're called to serve, we'll conduct a preacceptance review and engage with your beneficiaries, co-trustees, and trusted advisors. If you name VNTC as a successor trustee, you won't pay any fees now. When we accept the trustee appointment, the fee schedule that is in effect at that time will apply. For your reference, our current fee schedule is included in the *Corporate trustee services by Vanguard National Trust Company* document.

Introduction to Vanguard National Trust Company and our Personal Trustee Service

Dear Estate Planning Professional,

It's our privilege to partner with you in serving our mutual client.

Vanguard National Trust Company (VNTC) is a federally chartered, limited-purpose trust company operated under the supervision of the Office of the Comptroller of the Currency. VNTC was established to meet the long-term objectives of Vanguard investors—ensuring that their legacies are carried out according to their wishes. We do this by following Vanguard's principles for investment success: Create clear, appropriate investment goals; develop a suitable asset allocation; minimize cost; and maintain perspective and long-term discipline.

Personal trustee service

Our personal trustee service combines trust management and administration with investment management.

While we don't currently offer estate settlement, including the preparation of any estate tax filings, or guardianship services or serve as agent under a financial power of attorney, as a trustee, VNTC will work closely with other fiduciaries and client-selected professionals. Our service can complement a client's overall estate plan. We also welcome the opportunity to partner with our clients' trusted advisors, including any friends or family members they've chosen as co-trustees.

Trust administrative provisions

The inclusion of our trust administrative provisions (TAP) benefits clients by providing a clear description of our role and responsibilities, including the administration of nonfinancial assets, investment responsibility, compensation, and our relationships with affiliates. It also allows VNTC to administer the trust in an efficient manner. You'll find a copy of our TAP enclosed with this letter.

(over)

As part of the estate planning process, we understand that you'll analyze the benefits of certain state laws to accomplish specific objectives. While VNTC is federally chartered, we leverage Pennsylvania as administrative situs.

What to expect

To ensure that VNTC is a good fit for a client's needs, our regulatory governance requires that we conduct a preacceptance review of each trust account, including the underlying assets and investments. During this process, beneficiaries will also be introduced to a trust advisor who will share our interpretation of the trust terms and answer questions about what to expect during administration.

When VNTC is designated as a successor trustee, we'll conduct the review at a future date when we're called to serve. We're unable to prospectively accept future appointments.

Sincerely,

Vanguard National Trust Company

Designation of VNTC as Successor Trustee

To inform Vanguard National Trust Company of designation as successor trustee

When creating an estate plan, you may decide to appoint a corporation as successor trustee to manage your assets after your death or in the event you become mentally incapacitated. You'll work with your estate planning attorney to draft your estate planning documents to meet your particular needs. Vanguard National Trust Company (VNTC) can serve as successor trustee of a trust created under either a trust instrument or a will.

Your estate plan may require additional fiduciary services. However, VNTC doesn't serve as executor of an estate or as attorney-in-fact under a power of attorney document. You should discuss appropriate alternatives for these roles with your attorney.

Although you can designate VNTC to serve as successor trustee, please be aware that VNTC can't proactively accept or commit to serve in that capacity. We'll evaluate the market value of the trust at the time we're asked to serve, not at the time of the designation.

If you chose to designate VNTC as successor trustee, follow these steps:

1. **Share** our successor trustee materials, which provide information about our successor trustee program and our corporate trustee service, with your attorney.
2. **Finalize** your estate planning documents with your attorney.
3. **Complete** this designation form and return it to us at the email address noted in the "Return information" section. When we receive your completed form, we'll update your account records to alert Vanguard of your participation in the successor trustee program. We'll also send you a confirmation.
4. **Keep** a copy of this form with your estate planning documents.

Personal trust services by Vanguard National Trust Company

Experienced trust professionals who prioritize your interests

Whether you already have a trust or you're setting one up, it's important to select the right trustee to oversee it. Since a trust can last for many years, your trustee needs to have the expertise, time, and dedication—as well as your complete confidence—to carry out the long-term obligations of the role.

Serving as a trustee is an important responsibility that should not be taken lightly. Administering a trust involves many complex tasks and fiduciary responsibilities. Your trustee should have the knowledge and experience to handle these complexities and be willing to take care of your assets—and your family—in the way that you would want. That's why many people who establish a trust choose a corporate trustee.

Vanguard established Vanguard National Trust Company (VNTC) to offer personal trust and advisory services to our clients. When you appoint VNTC as trustee, you'll have a dedicated team who'll provide trust management and administration customized to meet your needs and the needs of your family and your other beneficiaries.

In addition, VNTC will manage the trust's investments. Our comprehensive advice service provides ongoing financial management that includes a customized plan delivered by a personal financial advisor. Vanguard personal advisors work for the trust's benefit. And Vanguard's time-tested approach to investing means that the trust's portfolio will reflect our commitment to the commonsense wisdom of broad diversification, low costs, and a long-term perspective.

We can be there whenever you need us— now or in the future

We can serve as your trustee now

If you appoint VNTC as a current trustee, you'll have a dedicated team to manage your trust, including a trust advisor and a financial advisor. We can take on the role of either the sole trustee or a co-trustee, partnering with the other designated co-trustee.

We can serve as the financial advisor for your trustee now

The trustee—whether you, a family member, or a friend—will handle the trust's management and administration duties. As financial advisor, we'll oversee the trust's investments on behalf of you or your trustee, focusing on diversification, tax efficiency, and low costs.

We can serve as your successor trustee in the future

If you name VNTC as your successor trustee, we can step in as trustee when the need arises, giving you peace of mind.*

When you choose VNTC's corporate trustee services, you'll benefit from these advantages:

- Client-first focus.
- Personal attention and advice.
- Continuity and stewardship.
- Navigation of family dynamics, with care.
- Exceptional value.

*Other eligibility criteria may apply.

Your costs are straightforward

The personal trust services you receive combines trust management and administration with investment advisory services. Therefore, your costs will include both an annual fee for trust management and administration and an annual investment advisory fee.

Assets under management	Annual trust management and administration fee ¹	Annual investment advisory fee ²	Total fee ³
First \$5 million	0.25%	0.30%	0.55%
Next \$5 million to below \$10 million	0.10%	0.20%	0.30%
Next \$15 million to below \$25 million	0.00%	0.10%	0.10%
Remaining assets above \$25 million	0.00%	0.05%	0.05%

How our fees are calculated

If the average daily balance in the trust’s portfolio was \$20 million, the blended fee would be 0.2625%. Here’s the breakdown for the year:

0.55% on assets below \$5 million	\$27,500
0.30% on assets from \$5 million to below \$10 million	\$15,000
0.10% on assets from \$10 million to \$20 million	\$10,000
Total annual fee	\$52,500

How to get started

To schedule an appointment with a trust professional, call 800-331-0335.

¹VNTC reserves the right to change or amend these fees from time to time. The annual trust management fee, payable quarterly, is based on the average daily balances in the portfolio across the entire fee period (i.e., the prior calendar quarter). A minimum of \$1 million per trust account is required to establish a corporate trustee relationship with VNTC; other criteria may apply. VNTC must review your trust instrument and supporting documents prior to accepting its appointment as trustee. The minimum annual trust administration fee is \$3,500. Additional third-party fees such as legal and accounting fees may apply.

²The annual investment advisory fee, payable quarterly, is based on the average daily balances in the portfolio across the entire fee period (i.e., the prior calendar quarter).

³The annual trust management and administration fee and the annual investment advisory fee are in addition to any fees or expenses assessed by the mutual funds or other investment products held in the trust. The annual trust management and the annual investment advisory fee—and therefore the total fee—are marginal fees, which means that different rates apply as you pass assets-under-management thresholds. For example, the 0.55% total fee applies only to your assets under management below \$5 million. When your assets under management pass \$5 million, your total fee will be 0.55% of your assets below \$5 million plus 0.30% of your assets between \$5 and \$10 million.

Trust administrative provisions

Vanguard National Trust Company

Vanguard National Trust Company (VNTC) has developed its trust administrative provisions (below) to provide a clear description of our role and responsibilities, including details related to administration of nonfinancial assets, investment responsibility, compensation, and our relationships with affiliates. Prospective clients should share these provisions with their estate planning attorney for incorporation into their trust under agreement or last will and testament if VNTC is named as a current or future (successor) trustee. VNTC will review the trust agreement when VNTC is called upon to begin actively serving as a trustee or co-trustee, whether immediately or at some point in the future.

Trust administrative provisions

Whenever Vanguard National Trust Company (hereafter, "VNTC") is serving as trustee or co-trustee of any trust established under this instrument (hereafter, "the Trust"), the following provisions shall be applicable and shall supersede any contrary or conflicting provisions.

(a) Affiliate dealings:

Notwithstanding any rule of law against self-dealing, divided loyalty, or conflict of interest, VNTC is specifically authorized to invest all or any portion of the Trust assets in mutual funds, other collective investment vehicles, or any other types of investments affiliated with The Vanguard Group, Inc., and to exercise all rights connected with the ownership of such investments. In addition, VNTC is specifically authorized to engage affiliated entities to provide services to the Trust, including, without limitation, brokerage, custodial, and agency services. VNTC shall not be required to reimburse or credit to the Trust the cost of such services, value of any benefits, or compensation received by VNTC or any of its affiliates in connection with such investments or services.

(b) Situs and governing law:

The situs of the Trust shall be the Commonwealth of Pennsylvania, and questions relating to the investment or administration of Trust assets shall be governed by the laws of Pennsylvania. Questions relating to the validity of the Trust or to the meaning and effect of its dispositive terms shall be governed by the law of the state specified in the Trust instrument, or, if no state is specified, by the laws of the state where the Trust is sited.

VNTC, without approval of any court, shall have the power, but not the duty, exercisable upon notice to the Trust's current beneficiaries, to direct in writing that the situs of the Trust be transferred to the state in which the VNTC office administering the Trust is located at any time and from time to time, provided that any such change is not inconsistent with a material purpose of the Trust.

(c) Administration of insurance products and nonfinancial assets:

VNTC shall have sole authority, as trustee, of assets traded on a financial market (including mutual funds or other collective investment vehicles affiliated with Vanguard), and in the case of life insurance policies, including those held in irrevocable life insurance trusts. Many assets are not readily traded on the public market, difficult to value, illiquid, or require specialized expertise for administration, management, or disposition ("Unique Assets"). Unique Assets include, but are not limited to, life insurance, real estate, business assets, loans and promissory notes, intellectual property, timber and mineral interests, and tangible personal property. For Unique Assets, excluding life insurance, which VNTC will administer, VNTC shall, unless expressly agreed to otherwise by VNTC in a separate writing, delegate the administration, investment, review, maintenance, disposition, or sale to a suitable agent, advisor, or delegate (affiliated or non-affiliated) under a separate delegation agreement.

In exercising such delegation, VNTC shall use reasonable care in: (i) selecting the delegate; (ii) establishing the scope and terms of the delegation consistent with the purposes and terms of the trust; and (iii) periodically reviewing the delegate's performance and compliance with the delegation terms, all in accordance with governing law and the terms of the trust. VNTC or its delegate shall obtain and maintain evidence of ownership and periodic valuations for Unique Assets, as reasonably required for proper trust administration.

VNTC shall not be liable for any actions or omissions of the delegate except to the extent VNTC fails to exercise reasonable care in fulfilling its delegation duties as described herein.

(d) Investment responsibility:

VNTC shall have sole authority and responsibility for the investment and reinvestment of the Trust's financial assets and the voting of any proxies related to such assets. All trustees retain the responsibility to review VNTC's actions and monitor its performance.

(e) Accountings:

Except as may be otherwise required by applicable state law, VNTC shall not be required to render annual or other periodic accounts to any court or to the beneficiaries (or other interested parties) of the Trust, and VNTC may satisfy such requirements with its customary periodic account statements.

VNTC shall have the right but not the obligation, at the expense of the Trust, to prepare an accounting in accordance with applicable court requirements and rules and to apply at any time to a court of competent jurisdiction for judicial settlement of any Trust account for any reason.

No less frequently than annually, VNTC shall provide the Trust's current beneficiaries, or their designated representatives, with a written account of the Trust's transactions for the immediately preceding reporting period.

(f) Actions of predecessor trustees:

VNTC shall have no duty to investigate the acts or omissions of any predecessor trustee. VNTC shall not be liable for its decision to investigate or not investigate any predecessor trustee's administration of the Trust or for the acts or omissions of any predecessor trustee whether known or unknown to VNTC. The current investment statements of a predecessor trustee shall constitute an accurate accounting of the principal and income of the Trust, and VNTC shall not be under a duty to question or investigate such statements.

(g) Right to resign:

VNTC is authorized, without court approval, (i) to resign, or (ii) to transfer the trusteeship to a trust company affiliated with VNTC or The Vanguard Group, Inc., at any time and for any reason by written notice to the parties specified in the Trust instrument, or, if the Trust instrument is silent, in accordance with the laws of the state where the Trust is situated.

(h) Nonjudicial agreements:

VNTC is authorized, without court approval, to enter into binding agreements with the beneficiaries and co-trustees with respect to any matter involving the administration of the Trust, provided that any such agreement is not inconsistent with a material purpose of the Trust and includes terms and conditions that could be properly approved by the court under applicable state law.

(i) Compensation:

Except as may be otherwise agreed in writing, VNTC shall be entitled to receive (i) compensation for its services in accordance with its schedule of fees in effect from time to time, without reduction for any other fees or compensation paid to VNTC or its affiliates, and (ii) reimbursement for expenses properly incurred in the administration of the Trust including, but not limited to, accounting and attorneys' fees.

(j) Release and indemnity:

VNTC shall not be liable for relying absolutely on documents and certifications provided by interested parties to the Trust, and on the opinions of counsel or any accountant to any trust. In addition, VNTC shall be indemnified and held harmless by the Trust for complying with any court order which VNTC reasonably believed to be valid and enforceable under applicable laws.

Additional provisions to incorporate into a revocable trust agreement where VNTC is named as successor trustee:

(k) Administrative Trust provisions:

Upon the death of the Settlor, if Vanguard National Trust Company ("VNTC") is named as successor Trustee, VNTC shall hold the trust assets in an Administrative Trust until the Executor of the Settlor's estate (the "Executor") confirms, in writing, that all taxes, debts, and expenses of the estate have been satisfied or adequately provided for, which period may extend for a number of years or as otherwise determined by the Executor.

Roles and responsibilities:

VNTC does not provide estate settlement services and shall not serve as Executor. The Executor shall handle all aspects of estate administration, including filing tax returns and payment of taxes, debts, and expenses. If the estate lacks sufficient funds, the Executor may direct VNTC, in writing, to distribute specific amounts from the Administrative Trust to the estate for such purposes. VNTC shall rely solely on the Executor's written directions without requiring supporting documentation and shall not be liable for following such directions.

Investment management:

Since the anticipated duration of the Administrative Trust is temporary and short, the Prudent Investor Rule under 20 Pa.C.S. § 7201 et seq. is hereby waived to the extent permitted by law, and VNTC shall adopt a preservation-oriented investment objective, focusing on capital preservation. VNTC shall have full investment discretion unless the Executor provides alternative written investment directions. If the Executor issues such directions, VNTC shall not be liable for following such directions.
